ELITE RUMIBOOST

Elite RumiBoost is designed to be flexible and to complement your current feed concentrates as an over the top additive.

Elite RumiBoost contains an extra dose of vitamin E, Organic Se, Chromium, Zinc Methionine, live yeast & bacteria and phytogenic compounds to assist the animals in times of stress including induction, prior to transport and heat & cold stress.

Elite RumiBoost is designed to maximise feed conversion and profitability by helping to maintain rumen, gut and immune health along with maintaining hydration during stressful times.
