ELITE PIG BREEDER PLUS PREMIX

Elite Pig Breeder PLUS premix is a high quality product providing a balanced formulation of trace minerals and vitamins for breeding animals. This product has enhanced mineral absorption under peak production demands due to the addition of organic minerals. This premix contains products which assist in promoting elite reproductive performance levels and longevity, and support the pig in times of stress and disease challenges. All National Feed Solutions premixes are manufactured using high quality products to maximise long term stability and potency.

DIRECTIONS:

In breeding pig diets thoroughly mix 2.5 kg of Elite Pig Breeder PLUS premix to each 1000kg of mixed feed. To maximise dispersion in the mix, it is recommended to pre-blend the premix addition with 5.0 kg of a cereal carrier before adding to the mixer

NUTRITIONAL ANALYSIS

When used as directed this premix will supply

Additional Rate: 2.5 kg per tonne **Target Age:** All age breeders inc boars

Pack Size: 20kg
